Online Payroll

By following the steps listed below Employee's have access to view their payroll online.

1. Go to: www.epayrollportal.com
2. Under Employee's section – click on New to this site? Register Here
3. Complete Registration on next screen.
4. Create User Account and Password.
5. You will receive a confirmation number sent to your email address that you entered on the previous screen.
6. View Terms of Service and accept.
7. You're DONE! You can view your payroll history online and W-2's.

Please note that the office does not provide previous statements. You will have access to any previous checks and statements through Ovation Payroll.
